Historical Spots Held Tourist Attraction

San Mateo county should publicize its historical spots as an attraction to tourists, Roscoe D. Wyatt, local chamber of commerce secretary-manager, told the Exchange Club at its meeting here last night.

Wyatt, speaking on the Spanish background of the state and county, told of the work being done by the county historical association, which is endeavoring to preserve records of the county's early history.

Other speakers included Coaches Leonard Casanova and James D. Eva, club members, who told of prospects at Sequoia high school in their respective sports: baseball and swimming.

William Hendricks was chairman of the meeting.

As a result of Wyatt's talk, six club members joined the historical association. They are Dr. W. B. Langston, W. H. Doxsee, E. H. Hendrickson, C. L. Stokes, James Dodge and A. H. Davis.

Shorthand was invented in the days of the Romans.

Menlo Park Seeking Assurance Fireworks Ban to Be Enforced

Further assurances that San Mateo county will enforce existing laws against the sale, possession or use of fireworks were sought Tuesday night by the Menlo Park city council as that body instructed City Attorney James T. O'Keefe Jr. to consult with county officials before preparing an anti-fireworks city ordinance.

In the absence of City Clerk Fannie Kurtz, O'Keefe read the city's financial report, dated April 1, which showed that the general fund balance is $6,959.35 and the street improvement fund balance is $1,498 12, with a total balance of $8,458.12.

Police Chief Henry Carroll presented his quarterly report disclosing that traffic arrests for the first three months of 1935 totaled 134, with 123 cases settled and 11 pending. Traffic fines assessed during the same period amounted to $473.

Livington Firm Aide Sued Here By Wife

The marriage of Mr. and Mrs.Carl A. Livingston, of the Livingston Bros. firm, was brought to an end today when Georgia Barmon Livingston filed suit for divorce in superior court.

Mrs. Livingston, who charged extreme cruelty, said that a property settlement had been reached.

She charges in her complaint, filed through Attorney Jesse H. Steinhart, that her husband, assistant secretary of the San Francisco firm, on various times criticized her and her conduct, at times refused to speak to her, and illmaxed matters December 11, 1934, by telling her he did not love her and did not care to be with her.

The couple married October 28, 1920, in Groton, N. Y. There are two children, Carl Jr., 13.

Teachers to Attend San Jose Meeting

A. L. Walters, state manager of the allied independent merchants, and Vierling Kersey, state superintendent of public instruction, will be speakers at a teachers' conference in San Jose Friday at 8 p. m.

Principals, superintendents and teachers from schools between Redwood City and San Jose will attend the conference at Roosevelt high school, San Jose, to consider problems of mutual interest to school departments and merchants.

BOARD TO MEET

San Mateo county's new recreation board will meet in County Executive Walter Kellogg's office Monday at 2 p. m. to discuss plans for improving Memorial Park and other matters, the executive said today. C. H. Jensen, superintendent, conferred with Kellogg this morning about operation of the park.

Contrary to common belief foxes are not wanton destroyers of quail, game authorities have found.

Court Refuses To Halt Vote On Fair Site

S. F. Board Is Warned Tactics May Lose Exposition

SAN FRANCISCO, April 10 (UP)—The majority membership of the San Francisco Board of Supervisors today won a new victory in their fight to sidetrack use of Yerba Buena shoals as a site for the proposed 1938 World's Fair.

Superior Judge I. L. Harris denied an injunction asked by Attorney Hugh K. McKevitt, seeking to restrain the board from submitting selection of a fair site and methods of financing the exposition to a referendum vote on the May 2 special election ballot.

Commenting from the bench, the judge, however, placed responsibility for any resultant delay or failure of exposition plans on the board.

"If the fair is killed by this referendum or if it is delayed for a year, let the responsibility rest with the supervisors," he said.

"They have the power, under the charter, to sidestep vital issues by putting questions of policy up to the voters."

Planned Menus To Be Topic

4-Day Session Opens May 7th: McKinley Will Be Scene

"A Song in the Kitchen" will be the theme of the cooking school which The Tribune will conduct for the housewives of Redwood City in three weeks. The school will open May 7 at McKinley.

Miss Barbara Miller, the noted home economist, who will conduct the cooking school, says: "This isn't going to be just 'another cooking school,'—no, indeed! There will, of course, be many new and unusual ideas for planning menus entertaining and home management, but primarily we want to find the way to put song and laughter in the kitchen. With the help of the Redwood City housewives, we will hunt out and drive away all the old drudgery bugaboos that have haunted the kitchen for years.

"What if you do have to cook three meals a day—for 365 days a year—and, for oh, innumerable years! Well, what of it! If you have to do it, let's get together and plan ways to make it a gay and happy job.

"And the whole secret," continues Miss Miller, "is to put a song in the kitchen—let there be laughter there and gaiety. We sing in the bathroom; dance and laugh in the living room; joke and make merry in the dining room; then why not in the kitchen?"

Miss Miller is a great believer in what she calls "kitchen psychology."

"How," she asks, "can you possibly expect light dumplings when you make them with a heart as heavy as lead? Beat a song into your dumplings—they'll probably pop right out of the pan in surprise!" she says.

SEEKS TRAFFIC JOB

Application for position as state highway patrol officer was filed with the board of supervisors today by Joseph M. Peterson, former Hillsborough police officer.

HOME BAKE SHOP OPENING IS SET

Mrs. Van De Weghe's Bakery Will Open On Saturday

The grand opening of Mrs. Van De Weghe's Home Bake Shop in the Tribune Building will be held tomorrow, beginning at 8 a. m.

Mrs. Van De Weghe comes to Redwood City from San Mateo where she operated the Baywood Pantry for several years. While in San Mateo she established a large clientele throughout the entire peninsula with many customers from Redwood City.

In opening the Home Bake Shop, Mrs. Van De Weghe will specialize in home-made cakes and Danish pastry, French brioches, petits fours and all types of dainty cookies and cakes for bridge parties and teas will also be featured.

The use of fresh eggs, butter and milk in all baking will be a specialty of the new shop.

New Appliance Store Opens Here Saturday

The Good Housekeeping Store, featuring Westinghouse Appliances, including refrigerators, washing machines and ranges, will open at 2326 Broadway tomorrow, according to Amos H. Hendricks, manager. In addition to Westinghouse appliances the store plans to feature Magic Chef ranges, radios, electric ironers and Permutit Water Softening Equipment.

Mr. Hendricks was formerly appliance manager of Levy Bros.' San Mateo and Burlingame stores, and has for the last four years managed the Burlingame Hot-N-Cold Store. Mr. Hendricks will be assisted by Hr. Otto Schwill, who was formerly with Barker and Brandt Hardware Co. in Modesto.

Marvin Celebrates Tenth Anniversary

Charlie Marvin, the National Biscuit Co. salesman for the peninsula, was this week celebrating his 10th anniversary with the company. Marvin is one of the best known and best liked salesmen calling on Redwood City stores and his many friends were all wishing him many more years of success today.

Snowflakes, Shredded Wheat, Honeymaid Grahams and a score of other products which are constantly featured in Tribune advertising are the items that Marvin sells.

New Building Will Accomodate Business

The Redwood General Merchandise today announced that rapidly increasing business forces them to build additional buildings to accommodate their business.

Almost $750 is being spent for this work which is the first part of a general expansion program.

The store carries a complete line of feeds, fuel and paint and is owned by Kertz and son.

Club Being Formed At Palo Alto Park

Thirty-eight residents of Palo Alto Park in Southern San Mateo county met last night at the home of William Lynch, 105 Birch street, and formed an improvement club. R. L. Wilson was named temporary secretary.

A by-law committee consisting of Mrs. William Lynch, M. T. Lustig, William Harris, B. N. Hill and M. McGinn was named. A special meeting of the by-law group was set for the Lynch home on April 18.

Transfer List For Personnel Arrives Today

Clay Will Take Over Station Monday From Dressel

Official orders from the navy department in Washington today brought eight additional transfers in the personnel of the ill-fated dirigible Macon and the Moffett Field staff itself. Immediate prospects were seen in this move for the conversion of the Sunnyvale air station to service for heavier-than-air craft.

At 10 a. m. Monday, April 15, the command of Moffett Field will be turned over to Comm. A. T. Clay, who succeeds Comm. A. H. Dresel, recently assigned to sea duty. Formal ceremonies will be observed at the base at that time.

No transfer orders have been received as yet for Lieut.-Comm. Herbert V. Wiley, skipper of the Macon, who has requested sea duty, but Lieut-Comm. Bernard F. Jenkins, executive officer of the air station, said he has been assigned to command the U. S. S. Hatfield and will shortly proceed to his new post.

Lieut.-Comm. Edwin F. Cochrane today received orders assigning him to the U. S. S. Arkansas as chief engineer.

Other orders were as follows:

Lieut.-Comm. G. N. Mills, who was an official observer aboard the German dirigible Graf Zeppelin on several of its trans-Atlantic flights to South America, has been assigned to Lakehurst, N. J.

Lieut. Walter E. Zimmerman on June 1 will proceed to Akron, O., as inspector of naval materials at the Goodyear-Zeppelin plant.

Lieut. Elmer A. Tarbutton has been ordered to the U. S. S. California.

Lieut. Harold E. Peifer will proceed immediately to the U. S. S. Memphis as first lieutenant.

Lieut. (J. G.) Earl K. Van Swearingen has been assigned to Lakehurst.

Chief Boatswain William A Buckley has been assigned to Lakehurst.

It is believed that the navy department will reveal its plans for the future of the Sunnyvale base after Commander Clay assumes command of the station on Monday. A spokesman for the base pointed out today that the U. S. S. Ranger, new airplane carrier, is now en route to the west coast and that it might be assigned to the San Francisco bay area, in which case the Sunnyvale Hangar and shops would be employed when the planes are on land duty.

The change from a dirigible base to the status of an auxiliary station for heavier-than-air craft—relieving overcrowded conditions at the North Island Field near San Diego—is expected to materially increase the Sunnyvale personnel. Estimates place the future number of officers and enlisted personnel at more than 1,000 men.

Tom Olmo Surrenders On Assault Charges

SOUTH SAN FRANCISCO, Apr. 10.—Thomas Olmo, accused of assaulting a San Francisco girl and who had been hunted for two and a half months, surrendered himself in Justice of the Peace Wade H. Clay's court yesterday. He was released on $500 bail to appear April 16.

MENLO PARK

All licenses held by liquor dealers in Menlo Park were withdrawn by the state board of equalization last Friday and since that date the city has been dry. A few dealers are preparing to move to "No Man's Land" near Atherton. At the meeting of the city council Tuesday evening a resolution was adopted urging the state board to grant permission to the liquor men to open their places for two months in order that they may dispose of their stock.

The mission at the Church of the Nativity is drawing a large attendance. It is given for the benefit of the Catholic population of Menlo Park. The mission will close Sunday.

A son was born to Mr. and Mrs. Leonard Bugna last Sunday. The couple reside on Pine street. The baby boy has been named John L.

The rain fall to date has been 16.45 inches as against 8.15 inches at this time last year. The precipitation for the last storm was 1.45 inches. The total rain fall this season is the largest in 25 years.

Charles Merrill was elected fire commissioner of this district without oppostion last Monday. Merrill has served on the board for 15 years and has made an excellent official.

Charles Merrill Jr. will be married to a former Stanford girl. Young Merrill and his father are both grauates of that university. The young couple will live in Menlo Park.

The Hamiltons, Taylors and Kelhams have closed their homes in San Francisco and are occupying their estates here.

The San Francisquito creek Sunday night rose to within a few feet of its banks. Not since 1889 has the stream been so high. This is the year the twin redwood tree, the mate to the one now standing, toppled over. The lonesome redwood remaining is decaying at the top and may soon follow its "loved one" to some unknown land. The tree is probably 2000 years old.

SAVINGS from Half-Price Electricity

TO PAY FOR NEW ELECTRIC RANGE
Says MRS. IRWIN BEATTIE
of Elverta, Sacramento County

Among the first to take advantage of the DW electric rate for ranges and water heaters, were Mr. and Mrs. I. Beattie. Now the discounts each month from ½ OFF EXTRA Electricity will be used to pay for an up-to-the-minute 1935 electric range.

"I HAVE BEEN a user of electricity on your DW 3 schedule since the latter part of 1934, when I installed an automatic storage heater with a demand control switch.

"As a result of your ONE-HALF OFF offer in 1935, the discount for increased use of electricity has given me very considerable savings as compared with what I feel would ordinarily represent a fair charge for the rather extensive enjoyment of electricity in my home. This use includes cooking, water heating, refrigeration, auxiliary air heating, and sundry labor-saving devices.

"I am applying this saving toward the purchase of a new electric range to replace the old one which served us so well for a number of years but is now becoming obsolete. I believe that the discounts obtained from your Half-Price electricity this year will, to a large extent, defray the cost of the replacement range."

TAKE ADVANTAGE OF BARGAIN PRICE ELECTRICITY
½ OFF EXTRA Electricity means: When your electric bill in any month of 1935 is greater than your bill for the corresponding month of 1934, at same location, YOU GET A 50% DISCOUNT ON THE DIFFERENCE.

Husky Oarsmen Workout Today

OAKLAND, April 10 (AP)—Al Ulbrickson is going to take the hobbles off his University of Washington oarsmen today and turn them loose in time trials on the Oakland estuary where on Saturday they meet the University of California crews in the season's first regatta.

Mention Is Given Course in Magazine

Special recognition of the Camp Counselor Training Course being carried on at Stanford University under promotion of the Young Men's Christian Association is given in the current issue of the Association Boys' Work Journal, published in Hamilton, Ohio.

CASTS ANNOUNCED OF ONE-ACT PLAYS

Adult Dramatic Class Plans Presentation Friday Evening

Casts of characters in the four one-act plays to be presented to the public in the Little Theatre at the high school Friday night by the adult evening class in dramatic expression, were announced today by Mrs. Bess G. Balcomb, director.

A sunny afternoon in the pleasant grounds of a hotel near Hot Springs is the scene of "Great Moments," a juvenile comedy by Raymond Moore. The cast is Madeline Pasini, Celeste; Kenneth Davis, Harold; Charles Gibson, Reggie; and Helen Brook, Milly.

The second play, "Two Crooks and a Lady," a melodrama by Eugene Pillot, has its setting in the living room of Mrs. Simms-Vanes' home in a late afternoon in spring. Josephine Treichel takes the part of Lucille and others taking part are Arthur Lucier, Miller; Mary Machenhousen, Miss Jones; Jessica Smith, Mrs. Simms-Vane; Walter van der Kamp, a policeman; and Charles Gibson, a sergeant.

Rachel Field's romantic comedy, "Bargains in Cathay," takes place in the morning at a book stall of a large department store. Persons of the play are Myra Kurtz, Emily; Walter van der Kamp, Jerry; Ann Torley, Miss Doty; Fred Moss, Thompson William Jr.; Dorothy Haruff, Miss Bliss; Kenneth Davis, Mr. Royce; and Fred Rasmussen, Mr. Williams Sr.

The fourth and last play will be "The Wonder Hat," a burlesque fantasy by Kenneth Sawyer. The scene is a circular path in a beautiful park in late afternoon. Taking part are Roy Crothers, Harlequin; Jay McCrea, Pierot; Margaret Hand, Columbine; Irene Dudfield, Margot; and Louis Nelson as Punchinello.

The staff for play production is as follows: Mrs. Balcomb, dramatic director; Fred Rasmussen and Charles Smith, settings; Madeline Pasini, Jessica Smith and Rene Dudfield, costumes; Charles Gibson, Myra Kurtz, Josephine Treichel and Louis Nelson, properties, and Julio Francescutti, lighting.

The members of the class will hold a reading recital of "Other People's Husbands" by Elizabeth Penny and "Behind the Beyond" by Stephen Leacock, Friday, May 31, in the Little Theatre.

Palo Alto Men Visit Toastmaster's Club

A group of Palo Alto men visited the Redwood City Toastmasters Club at the high school on Monday to see how this type of club functions.

Donald Bogie talked on "One-Third Starved," in which he brought out that many people today are failing to develop their personalities and the spiritual side of life. Harold Anderson talked on "Huey Long" and the methods he is using in arousing people to his way of thinking. Louis Dematteis talked on "False Economy," dealing with the proposed bond issue for making more space available for county offices. Earl Whitaker handled in a refreshing way "The Value of Public Speaking." Jules Lutje in a talk filled with wit and humor gave "Antidotes for Pub-

DRIVE FOR SCOUTS NETS $1030 TOTAL

No Curtailment Here Of Activities Seen As Total Mounts

Funds collected in the Boy Scout drive which concluded here several weeks ago today totaled $1030, Duncan Reynard, chairman of the drive committee, reported.

Enough pledges have been secured, however, to raise the total to approximately $1200 when all funds have been collected, he said.

As a result, it is expected scouting activities can be carried on throughout the year without curtailment.

Crash Victims Formerly Lived In This County

Hilbert Shannon, 31, who with H. E. Williams, 44, Mare Island radio inspector, was killed near Fort Bragg when their machine plunged over a 175-foot cliff, formerly lived in Redwood City.

Williams was a member of a pioneer Belmont family. Shannon was his brother-in-law.

The accident occurred Friday night at the mouth of the Navarro river as the men were going to a camp near Mendocino City. The car plunged into a lagoon at the mouth of the river.

Lad Doomed to Stand After Car Accident

BELMONT, April 8—Climbing back into his automobile after having given assistance to a couple in a machine which had overturned yesterday morning, Frank Proto, 18, of this city, sat down on a handful of razor blades.

Proto then accompanied occupants of the wrecked machine—Jack Bradley and Miss May Silveria, both of San Mateo—to the hospital. A few stitches fixed Proto up. Bradley and Miss Silveria were cut and bruised, but were discharged after first aid treatment.

The canvasback is one of the fastest of all American ducks, and among the most famous.

TWO HOMES RANSACKED

SAN MATEO, Apr. 9.—Though homes of J. C. Hadley and Mark Dillon were ransacked last night by prowlers, nothing was stolen, they reported to officers today.

Roy A. Hohberger was toastmaster for the evening. Duncan Reynard was the member critic.

The club will meet next Monday as usual although it is vacation week at the high school.

Widow on Relief Found to Possess Estate of $3000

Though Mrs. Mary Ann Blogg, Colma widow, had received $2253.20 in county aid since July, 1919, and died in the Community Hospital in a county ward, she left an estate valued at nearly $3000, it was revealed today when Coroner William Crosby, as public administrator, filed claim for the county against the estate for the amount.

The estate consists of her residence in Colma and another parcel of improved property in San Bruno as well as $731.60 in cash she had entrusted to the care of a neighbor, according to papers filed in the case.

Mrs. Blogg, who died February 10, had received $12 a month since the death of her husband 16 years ago, the claim prepared by Mrs. Ellen Bieber, relief department head showed.

A few days before her death she turned over to Mrs. Jessie Brooks, a neighbor, a receptacle containing the cash and deeds to the property, according to Coroner Crosby, who seeks a court order to force Mrs. Brooks to give them to him.

The Texas Relief Commission distributed canned beef put up at the Texas prison system's canning plant.

New Mayor Plans Active Office Tenure

SAN MATEO, April 10.—San Mateo's new mayor, Frank P. Simmen, said that he planned to be an active governing head of the city, and that in this connection he would in the near future establish offices in the city hall from where he could direct city activities.

AUTO THEFT CHARGED

Charged with having stolen an automobile, Louis F. Branch, 28 year-old welder, was in the county jail here today in lieu of $25[illegible] bail following his return from Santa Cruz, where he had been arrested, by Deputy Sheriff Tom Maloney last night.

No further administrative changes in personnel are contemplated, the new mayor said.

Ball Diamond Work Gets Underway Here

With plans completed and materials ordered, work was to start on the new illuminated baseball diamond at Roosevelt and Oak avenues this afternoon, according to City Manager E. A. Rolison.

The grass on the field will be mowed, and it is planned to start grading work as soon as the ground is dry enough. Rolison expects the field to be ready for use in about two weeks, he said.

MIKE MUSCATELLO FREED

BURLINGAME, Apr. 9.—Battery charges pending against Mike Muscatello, who has already spent 72 days in jail awaiting trial, were dismissed by Judge Stone this morning for lack of evidence.

L. A. Flag Trampler Served Time Here

The William Thurling who on Army Day nearly incited a riot when he trampled an American flag on a Los Angeles street is the Fred Hoffman, 32, who served 90 days in the connty jail here last year for political agitation and handing out Communistic circulars, San Mateo police officers said, they believed today after seeing pictures of the man arrested in Los Angeles.

GHOSTS OF PAST? No! Real Sailing Ships COAST AMAZED

It just couldn't be true.

Old sailing-ship men in Pescadero who look wearily at the string of iron ships filing by and long for the beauty of billowing sails were positive it couldn't be true.

For during the recent storm there sailed by two full-rigged three masters, their sails taut in the strong wind, and nosing the seas with their bowsprits like any good ship does.

Had the ghostly flying dutchman suddenly acquired a twin?

No, they were real all right, and board the majestic ships scenes for the film "Mutiny on the Bounty" were being shot. The picture is soon to be released.

R. C. Family Escaped Injuries in Accident

After a collision in Palo Alto with a car driven by Gordon Lloyd of Redwood City, a machine driven by Dorothy Rockwell of Newcastle, Calif., swerved off the road into a ditch and catapulated the driver through an open door into a puddle. As a result she is in the Palo Alto Hospital today with a possible fractured skull.

Four Illness Cases Reported for R. C.

Dropping its recent perfect health record, Redwood City had more than its share of illness this week, according to the weekly morbidity report of Dr. Charles C. Gans, county health officer. One case each of scarlet fever, measles, tuberculosis and septic sore throat were reported here.

San Mateo surpassed this city, however, for five cases of chicken pox, three of measles and single cases of scarlet fever, whooping cough and tuberculosis were reported there.

Six cases of chicken pox and nine of German measles were listed for Burlingame, where there were also two cases of whooping cough.

SEEKS $1080 DAMAGES

A. E. Kaufmann seeks damages of $1080 for injuries sustained in an automobile accident on the Bayshore highway opposite San Carlos last May 19 in a suit filed in superior court today. Defendants in the suit are W. L. Roberts, driver of the machine with which Kaufmann's car collided, and Elliott Downing.

Simmen S. M. Mayor As Kinnell Ousted

SAN MATEO, Apr. 9.—Fred Simmen, newly-elected councilman, was named mayor at last night's organization council meeting, which saw Police Judge Louis F. Kinnell replaced by temporary appointment of City Clerk Edward Foster to the position.

Cork steps are made of wood, metal, leather, or strong canvas, not cork; they received their name from Dr. Cork, inventor.

Heirs Claim Estate Valued at $12,000

Petition for letters of administration for the estate valued at over $12,000 of John Roderick McLean, who died intestate March 21 in San Francisco, was filed in superior court here today by his brother, John McLean, also of San Francisco.

Other heirs, according to the petition, are a sister and brother, one residing in Nova Scotia, Canada, and the other in Canton, Mass.

Fruit Damaged, Pea Crop Hurt By Rainstorms

Damage caused by recent rainstorms to crops in San Mateo county seems to be limited to the green pea acreage on the coastside, according to reports turned in today to County Agricultural Commissioner Max J. Leonard's office.

Approximately another 500 acres of young peas were reported lost due to flooding of fields, erosion or seed rotting in the ground.

"This acreage probably will not be replanted," Leonard said, "due to the lateness of the season. There is no damage so far reported to other products grown here.

"The small acreage of apricots in this county undoubtedly have been severely hit by green jacket rot. Apricots at this stage of development are susceptible to this disease during rainy periods. The Santa Clara county crop of apricots has been severely injured due to this disease."

FORMER RESIDENT DIES

BURLINGAME, Apr. 9.—Carrie Goss Haskell, resident of Burlingame 15 years ago at which time she became well-known on the peninsula, died Sunday in San Francisco. Funeral services were held today in San Jose. She the sister of Charles E. Goss.

240 Predatory Animals Shot As Stealing By Eagles Gains

Figures compiled in the county agricultural commissioner's office from reports of the San Mateo county predatory animal hunter, Jacob H. Ott, of the U. S. Biological Survey, show that 130 coyotes and 110 bob cats have been taken during the past year in this county, it was revealed today.

The majority of these animals were taken in the Alpine-Pescadero districts where a constant line of traps must be maintained to prevent migration into the county from the adjoining mountainous areas in the neighboring southern counties.

Commissioner Max J. Leonard reported also that farm depredations by these predatory animals are the lowest in years. Thirty-one farm animals, including turkeys, goats and sheep, are recorded as lost for the past year.

"It is only with constant and consistent vigilance that depredations can be kept to such low figures," Leonard states.

Loss to sheep men from eagles carrying off young lambs early this year was heavier than usual, according to the commissioner. The fish and game commission helped materially to control the situation in the southern county district, but the losses were only completely stopped when the lambs became too large for the eagles to carry. A total of more than 100 lambs were killed by these birds the past three months, it is estimated.

South S. M. Roads Are Being Improved

County Engineer Carl Scott today reported that every effort was being made by his office to get roads in the North Fair Oaks, Dumbarton Oaks, East Palo Alto, Ravenswood and other districts in Southern San Mateo county repaired. Much of the road department's equipment has been moved to that district, in an effort to get these roads, which have been criticized recently, in shape.

The department is also working at top speed on the La Honda, Pescadero and Pomponio roads, which were temporarily blocked by slides during the rainstorm. All are open, now, however, though only to one-way traffic in places.

Easter Service Speaker Named

Palo Alto Preacher Selected; Scouts Aid Traffic

Speaker at the Peninsula Easter Sunrise Services to be held at Emerald Lake Bowl west of Redwood City at 5:27 a. m. April 21 will be the Rev. Daniel W. Stevens of Palo Alto, it was announced today by Alto, it was announced Tuesday by principal and Menokirk Club president, who is general chairman of this year's services.

Rev. Stevens, who was pastor of the Melrose Methodist Church in Oakland until a month ago and previous to that time was pastor of the First Methodist Church in San Francisco for seven years, is known as a dynamic young speaker, and it is expected he will bring a forceful Easter message, Bogie said.

An additional committee to handle traffic at the bowl was announced today. It is composed of City Manager E. A. Rolison, Fire Chief Mark E. Ryan, Police Chief C. L. Collins and County Executive Walter T. Kellogg. They will be assisted by several troops of Boy Scouts under supervision of County Agricultural Commissioner Max J. Leonard. Some of the troops plan to camp out at the bowl the night before in order to be on hand the following morning.

Holes Bear Mute Evidence Of Unviewed 'Performance'

metal wall of the West Point substation at the cement plant here today presented mute evidence of the electrical display that was being shown with no audience, while patrons in local theatres and churchgoers sat in darkness Sunday night wondering when the power would again come on.

A trip to the Redwood City substation and the station at the cement plant at the end of Chestnut street revealed just what damage was done by Sunday night's electrical storm that left this city in darkness for 40 minutes.

In the West Point plant electricity excited by the two charges of lightning jumped from wire to wall to framework to wire, apparently, judging by evidence of its attack.

The seven holes, ranging from a quarter-inch to an inch in diameter, graphically showed where some of the flashes of power had struck. Other parts of the wall where the high tension wires enter the building are scarred and one insulator is darkened, as the result of the attack.

Principal damage was confined to the one giant transformer at the Redwood City plant and the three-phase switch at the West Point plant—damage however which will cost several thousand dollars to repair, it is expected.

While fortunately no one was injured when lightning struck the 60,000 volt wires between the two substations, plunging the entire peninsula into darkness, if a person had been in the West Point substation at the time of the accident, he would have been killed, it is believed.

POLICE WARN OF SPEEDING AT ATHERTON

Atherton police today sounded a general warning to motorists traveling through the city limits on both El Camino Real and Middlefield road that the 30-mile an hour speed limit at intersections will be rigidly enforced.

"We are through with the 'courtesy' method of attempting to curb speeding," said Chief of Police J. Edward Farrell. "We find we can't expect to cut down the number of accidents and near-accidents by stopping people and talking to them in a nice way.

"Four narrow escapes were reported during the heavy rainstorm Saturday night. I was in charge of the stop signal at El Camino Real and Atherton avenue when a southbound motorist drove half way through the intersection after the stop signal had been given. When I talked with him he shrugged his shoulders and said he couldn't do anything about it—his brakes were wet.

"Arrests have been kept down to a minimum in Atherton during the past four months while we tried every conceivable form of courtesy to secure the cooperation of highway drivers. There has been no curtailment of recklessness, carelessness and thoughfulness in driving past our lateral intersections—many of them hazardous because of trees and hedges—at speeds far in excess of safety.

"From today on, we will hand out tickets, and plenty of them."

Chief Farrell was backed in his statement by a residents' committee of public safety.

Niece Given Estate Of Mrs. Frances King

After a $500 bequest to Mrs. Sophie Hacquette of Belmont and a $200 bequest to a niece, May E. Wheeler of San Francisco, are paid, the rest of the estate of Mrs. Francis V. King, 79, who died April 4 in Belmont, goes to another niece, Minnie T. Nnues, according to provisions of Mrs. King's will filed for probate in superior court here today. Included in the estate is the Belmont home of Mrs. King. Total value of the property was estimated at "less than $10,000."

Local Woman's Kin Murder Solution Told

Of interest to Mrs. J. A. Milam, 803 Arguello street, a national detective magazine in a recent issue carried the story of the murder of her half-sister, Mrs. J. P. House, of McAlester, Okla., and the latter's husband, former marshal and chief of police.

Thomas R. House, son and stepson of the victims, was accused of the murder until a Negro was captured and confessed, clearing the youth. Young House saved himself by directing secret investigations from his jail cell.

Lloyden Park's Sale Is Ordered By State Court

The California Supreme Court today upheld the ruling of a San Mateo county superior court that the Atherton subdivision of Mrs. Mabel Coryell, once wealthy society matron, must be sold to satisfy a judgment for $107,217, the Associated Press reported from San Francisco.

The Peninsula Paving Company, which did the paving work in the park under the supervision of Engineer George A. Kneese, was plaintiff in the action. Mrs. Coryell and P. R. Strange carried the judgment to the higher court asserting the work was not satisfactory, but lost in today's ruling.

FORMER M. P. WOMAN DIES

SAN MATEO, Apr. 9.—Mrs. Alice Murnig of San Mateo, former Menlo Park resident, died yesterday at Community Hospital after a short illness. Mrs. Murnig, who operated an art shop here, is survived by her husband, Guido. Funeral services will be held from the Crosby parlors at 10 a. m. Thursday.

PAYS SPEEDING FINE

BURLINGAME, Apr. 9.—Margaret C. Lane of Redwood City was fined $3.50 for speeding on the Bayshore highway by Judge Stone this morning.

Funeral services will be held at 10 o'clock tomorrow at Crosby's in Burlingame for Mrs. Alice Gottschalt Murnig, resident of 128 Hopkins avenue for 10 years, who died in a San Mateo hospital yesterday. She is survived by her husband, Guido.
